POLICY

I. Policy Statement

- A. All MDOT policies, including directives and supporting documents, shall be consistent with:
 1. Existing State and federal laws and regulations applicable to MDOT;
 2. MDOT goals, objectives, plans, and programs; and
 3. Procedures outlined in this Policy.
- B. Only the Secretary may approve new or revised and rescind policies, which will include the Responsible Party designation and authorized supporting documents.
- C. Within their area of responsibility, a designee (Responsible Party) may approve new or revised and rescind existing directives, guidelines, guides, procedures, rules, and plans to support MDOT policies.
- D. For the purposes of this Policy, the Deputy Secretary of Policy, Planning, and Enterprise Services shall designate one or more individuals to be responsible for:
 1. Directing and coordinating the review of proposed policy actions;
 2. Promulgating policy action approvals;
 3. Updating the master policy list and maintaining related records; and
 4. Re-establishing and maintaining the MDOT Policy naming and numbering conventions.

- E. MDOT Policies shall be collected, archived, and maintained in an official MDOT Policy Manual.
1. All policies shall be signed by the Secretary. Signed originals shall be maintained by the Deputy Secretary of Policy, Planning, and Enterprise Services or his/her designee. PDF versions of signed documents will be available from the MDOT Online Policy Manual.
 2. Approved policies, including directives and supporting documents, shall be posted on the MDOT Online Policy Manual, which shall serve as the only official reference source for all approved MDOT policies, directives, and supporting documents.
 3. Original signed documents shall always have primacy over printed or web-based versions. Any printed versions of a policy from the MDOT Online Policy Manual shall be date stamped with the date printed and be valid only for the date printed.
